Prerequisites and Details to Consider Prior to Beginning the User Enrollment Process

*Please do not include any TCIS roles or entitlement request in any other Fiscal Service system(s) roles requests in SailPoint IdentityIQ.

- 1. TCIS application requires PIV OR PIV-I access. User needs to ensure when login with <u>SailPoint</u> <u>IdentityIQ</u> and requesting TCIS role(s), user MUST login with their PIV or PIV-I._
- 2. **Treasury** users will automatically have their manager set as the first- level approver. All other users considered as External to Treasury, follow Step 2 to identify your supervisor or Manager.
- 3. Please note that the following are the TCIS **required** roles/entitlements:
 - a. TCISIV-Integrated View
 - b. TCISIV-Agency User Role
 - c. Organization's Agency Location Code(s) (ALCs) or Symbols entitlement(s) such as TCISIV-ALC-xxxxxxxx OR TCISIV-NTDO entitlements OR Program.

If one of the above is missing, your access would be incomplete.

- 4. Determine if you will need to request any added functionality capabilities (Stop Payment, Reclamation Dashboard, Cancellation Dashboard, and other dashboards).
- 5. Fiscal Service policy stipulates that after <u>120 days</u> of inactivity, the roles which you have been assigned will be revoked and you will need to re-enroll. Users will receive an email warning of the role disablement and reminders will be sent at 14, 7, 3, 2, and 1 days until the 120th day of inactivity is reached. Then, user role(s) is/are removed.

Step 1: Establish a SailPoint IdentityIQ Account

Note: If you already use an identity to access other Treasury applications or services, you may bypass this step and move to the next Step.

- 1. Navigate to the SailPoint IdentityIQ Home Page: <u>https://iiq.fiscal.treasury.gov/</u>
- 2. A page is presented which displays one or more of the following options to authenticate:
 - a. PIV/CAC
 - b. ID.me
 - c. Login.me
- 3. Select the PIV / CAC button.

💾 PIV / CAC

4. If prompted, select your certificate, and enter your pin.

5. The first time a PIV/CAC certificate is used to authenticate, the email verification process is initiated. A web page is displayed prompting you to submit your email address that will be associated with your certificate. A verification code is sent to the email address specified.

Step 2: Set or Update User's Manager

Note:

This is not applicable to **Treasury employees** as their manager is automatically set and will not be able to change Manager information in SailPoint IIQ. Please contact your HR if your manager's information requires update in HR Connect system.

All other users, if you already set or update your manager, you may bypass this step and move to the next Step. Please note that if you request role(s) before setting or updating your manager, you will receive an error that will not allow roles to be requested.

- 1. Navigate to the SailPoint IdentityIQ Home Page: https://iiq.fiscal.treasury.gov/
- 2. After you have successfully authenticated, set/modify the first level approval manager for your account.
 - a. Click on the hamburger icon in the upper left portion of the window.

b. Click the 'Manage Identity' dropdown and then select 'Modify Manager'.

c. Select the 'Set/Modify the Manager for your Account' radio button and then click Next.

d. Enter your manager's email address in the open field and click Next.

Set Manager Option List

Cancel	Back	Next
--------	------	------

- e. Confirm your selected manager's email address is correct and click Submit.
- f. Your manager will then need to log into SailPoint IdentityIQ to review and provide your access decision. Click <u>here</u> to confirm if you have a manager/approver assigned.

Note: When a user sets or updates a manager on their account, it goes to the manager for approval. Just like role approvals, this request of Manager assignment has a 14-day expiration. Manager will receive a daily email reminder that there is a request awaiting their approval once a request enters their queue. If the request does not receive an approval or denial, the request will time out and the user will need to request again.

Step 3: Request TCIS Role(s) or Entitlement(s)

1. Select the 'Manage My Access' tile from the Home screen.

- 5. From the populated list, scroll down and select the checkmark next to the display name of the following role:
 - a. TCISIV-Integrated View (required)

- 6. Search and select the checkbox next to the display name of any additional role(s) that are required for your job function as identified with your manager. For example:
 - a. ALC(s) (e.g., TCISIV ALC 12345678)
 - b. ALC Groups (e.g., TCISIV SSA Program)
 - c. Dashboards (e.g., TCISIV Dashboard)
- 7. Once you have completed your role selections, select Next.
- 8. Review your selection(s) to confirm and then select Submit.

- 9. The request will be processed, and you will be returned to the Home screen.
- 10. Upon successful submission, a banner will confirm that the request was submitted successfully in addition to the request ID being displayed.

Take note of this request ID as it may be used in the event any troubleshooting is required with the Treasury Support Center (TSC).

11. You will receive an email confirmation that your request was submitted, acknowledging receipt.

Click <u>here</u> on how to check the status of your request.

A second email will be sent to the **First Level (Manager)**, notifying that a request has been submitted. The Manager will need to login to SailPoint IdentityIQ and approve or deny the request. **Note:** This role(s) request has a 14-day expiration. Manager will receive a daily email reminder that there is a request awaiting their approval once a request enters their queue. If the request does not receive an approval or denial, the request will time out and the user will need to request again.

12. Once the Manager reviews and approves your request, an email will be sent to the **Second Level** (Fiscal Service TCIS ISSOs) approver(s) notifying that a request has been submitted. The Fiscal Service TCIS ISSO will need to login to SailPoint IdentityIQ and approve or deny the request.

Note: This role(s) request has a 14-day expiration. ISSO will receive a daily email reminder that there is a request awaiting their approval once a request enters their queue. If the request does not receive an approval or denial, the request will time out and the user will need to request again.

13. Although you will then receive an email notification that your request was completed, please allow up to **forty-eight** (48) hours after you have received your access confirmation to allow for your account to be processed and to be able to successfully login.

Step 4: Logon to TCIS Integrated View and Dashboard

Once you have completed all the enrollment steps to request an account and received the necessary approval(s) from the first and second level approval group and allowed forty-eight hours to fully process your access request, follow the below steps to access TCIS Integrated View and Dashboard via your PIV.

1. Access <u>https://tcis.fiscal.treasury.gov</u> via your browser.

***** ATTENTION ***** Above is the TCIS new website address. Please replace your bookmark with the above address.

- 2. You will be directed to the TCIS Integrated View and Dashboard authentication page. Select PIV/CAC.
- 3. The certificate screen will pop up, and you will be prompted to pick your certificate. Click OK.
- 4. Enter your PIN and click **OK**.
